Study Abroad Eligibility Requirement Appeal Form

When to use this form:
GT students who do not meet the general GT eligibility requirements to apply for/participate in a GT Faculty-Led (Group) program may submit an appeal to the Office of International Education (OIE). PLEASE NOTE: In order for OIE to consider your appeal, you must ensure that your entire Study Abroad Application is completed. Timeline:
Students are advised to submit this form as soon as possible. The appeal process takes from three days to a few weeks, depending on the availability of faculty/staff with whom OIE needs to consult. Appeals will not be considered if there is not adequate time for processing. Completed appeals must be received at least 3 business days prior to departure. There may not be sufficient time to consider some appeals due to program schedules.

Documentation to submit in support of this request:
1. You are required to submit a written statement explaining the reasons for which you believe that you should not be required to adhere to a particular GT eligibility.
2. It is recommended, but not required, that you submit letters of support or other supporting documents from faculty or staff who can comment on your preparedness for study abroad.
3. If you are a new student or a transfer student at GT and do not have a long academic history at GT, you may wish to submit a transcript from a previous institution (college level only; high school transcript not necessary).
