OSAC
OSAC, the Overseas Security Advisory Council is a Federal Advisory Committee with a U.S. Government Charter which promotes security cooperation between American business and private sector interests worldwide and the U.S. Department of State. OSAC provides, among other services, regular updates on security issues around the world. It also maintains a 24-hr emergency number that any academic institution can utilize in case of an after-hours situation. The number is 202-309-5056. For resource materials, visit the OSAC website at https://www.osac.gov.
