International Activity Report 2014-15

COLLEGE OF ARCHITECTURE

Percentage of Georgia Tech B.S. graduates who participate in an international experience through a study or internship opportunity. The national rate is approximately 15% (excluding international students).

52%

The 6-year graduation rate for Georgia Tech students who studied or interned abroad. The rate for those who did not study or intern abroad is 76.1%.

96.7%

Economic impact on the Atlanta-area of international students and scholars studying at Georgia Tech. International students and scholars throughout the state contributed over $545 million to the Georgia economy.

$1.3M

Growth in Georgia Tech undergraduate students’ participation in programs abroad in the past five years. Since 2010, the number of B.S. graduates with an international experience has grown to 1,967.

10%
"The International Plan has allowed me to see the world around me in a much more global light. I interact with international students on a daily basis, and I connect with them through an understanding that being around different peoples and cultures is exciting."

**Tyler Martin, Architecture - IP, ’14**

### COA: IP Participation as a Percentage of Enrollment, by Major

- **Architecture**: 7%
- **Industrial Design**: 6%
- **Common First Year**: 4%
- **COA Total**: 6%

10% goal
COA students participated in 11 summer study abroad programs and 5 exchanges at partner universities.

COA: Participants Abroad Over Time

www.oie.gatech.edu
“The experience highlights unique characteristics about your own culture and lifestyle that you hadn’t recognized before. So even if you don’t choose to stay and have your career abroad, you have a new perspective that carries through to your design work and possibly your whole life.”

-Daniel Cicchinelli, ID/IP, 2014-15 University of Stuttgart Exchange
GT hosted 95 students this year who were awarded exchange fellowships by organizations such as Fulbright.

This year, COA hosted 5 exchange fellows.

COA hosted its first J Student Intern in 2014/15.

Hosting J interns and J scholars is a great avenue to recruit future international graduate students or post-doctoral researchers.
