International Experience Approval Form

INSTRUCTIONS: In order for international experience to count toward IP requirements, IP students must:
1. Complete this form prior to the end of Phase I registration for the term you’re going abroad.
2. Register for the IP audit course (a permit will be granted once this form is submitted).

Name _______________________________________________ Major ________________________________

GT ID _________________________ Current Cumulative GPA __________

Study Abroad -OR- Work Abroad   (circle one or both)

Program or Employer Name ___________________________________________ Country_____________________

Term(s) Abroad _______________________________ # of Weeks __________
(ex Spring 2015)

*Language to be used for IP ____________________ **Pursuing “Language Proficiency” designation? ___ Yes ___ No

*Language other than English & should be consistent with at least one of the locations of international experience.
**Students wishing to develop proficiency beyond the 2002-level or equivalent may pursue the International Plan with Language Proficiency. Please visit this page for more information: http://www.internationalplan.gatech.edu/faculty-staff/language-requirements

If this is your 1st IP international experience, please indicate your anticipated 2nd international experience:

Anticipated International Experience ____________________________________________________________

Country________________ Anticipated term to be completed_________________________ # of Weeks_______

To apply for a Study Abroad program, see http://www.oie.gatech.edu/study-abroad.
To apply for an International Internship, see http://www.oie.gatech.edu/gip.

If this is your 2nd IP international experience, please indicate your 1st international experience:

Study Abroad Program or Employer Name ________________________________________________________

Country________________ Term completed______________________ # of Weeks__________

All students must sign this form.

NOTE: If your plan includes programs in more than one country and they are not linguistically or culturally related, please attach a short essay on your rationale for intellectual coherence.
For more information on coherence: http://internationalplan.gatech.edu/faculty-staff/coherence

Student Signature ___________________________ Date __________________

***Allow yourself plenty of time to complete this form, as you are required to meet with several faculty/staff members.***
Approvals must be obtained in the order they appear on this form.

1) All students must first meet with the IP Advisor in OIE to discuss their plans. Please make an appointment to meet for approx. 10 minutes by emailing internationalplan@oie.gatech.edu or calling 404-894.7475. After all other necessary approvals have been gained, return form to OIE (211 Savant).
