**Undergraduate Academic Fellowships**

**Amgen Scholars**
**Disciplines:** Biotechnology, science
**Award Details:** This fully funded programme allows undergraduates from across the globe to participate in cutting-edge research opportunities. A signature component of the programme is the symposium where students hear firsthand from leading scientists working in industry and academia. While the programme runs at several universities, Yale-NUS students are encouraged to apply to the Amgen programme at University of Tokyo as the programme dates align with the Yale-NUS academic calendar. Students will be evaluated on previous research experience and academic expertise, and students with an interest in applying to PhD programmes will be considered favorably.
**Nationality Eligibility:** all nationalities
**Application Instructions:** Apply directly [online](#). Only continuing undergraduate second or third year students in good academic standing are encouraged to apply.
**Deadline:** February 1, 2018
