**Ivan Allen  
College**

School of History, Technology, and Society

March 15, 2005

Dr. Scott Wills  
Chair, Institute Undergraduate Curriculum Committee  
ECE - 0250

The School of History, Technology, and Society requests Institute Undergraduate Curriculum Committee approval of the following item, which was unanimously endorsed by the HTS faculty on March 1, 2005.

**Allow students to pursue the International Plan degree designation in conjunction with satisfaction of the BSHTS degree requirements. The School will not impose any additional restrictions on pursuit of the degree designator.**

**Because the BSHTS degree allows for 30 hours of free electives, students can satisfy the course requirements for the IP designation within the existing credit hours for the BS degree through appropriate selection of free electives**

**A sample 8-semester schedule option is attached. This is an example only; students will be allowed to complete any international experience option allowed under the Institute requirements.**

Thank you for your consideration of this request.

Dr. Willie Pearson, Jr.  
Professor and Chair  
HTS -- 0345
