International Activity Report 2015-16

College of Computing

54% Percentage of B.S. recipients who have an international experience prior to graduation.

53% Increase in J-1 international scholars teaching or doing research at Georgia Tech, compared to five years ago.

39% Growth in participation in the Global Internship Program (formerly Work Abroad) in one academic year, from 109 to 151 students.
"The IP has been a great talking point in all of my interviews. It has been helpful in showing a willingness to learn new things, to take risks, and that I have an interest in the world on a different level than others."

- Julian Prokay, Computer Science '11
