Percentage of B.S. recipients who have an international experience prior to graduation.

Increase in J-1 international scholars teaching or doing research at Georgia Tech, compared to five years ago.

Growth in participation in the Global Internship Program (formerly Work Abroad) in one academic year, from 109 to 151 students.
“Being part of the International Plan will allow me to stand out among other applicants when applying for jobs and going through the interview process by having an additional perspective to bring to any company.”

- Alejandro Quintero, Aerospace Engineering ‘15
Participation Goal

- 1,335 COE students studied or interned abroad
