International Activity Report 2015-16

Ivan Allen College of Liberal Arts

54%
Percentage of B.S. recipients who have an international experience prior to graduation.

53%
Increase in J-1 international scholars teaching or doing research at Georgia Tech, compared to five years ago.

39%
Growth in participation in the Global Internship Program (formerly Work Abroad) in one academic year, from 109 to 151 students.
“The time I spent abroad at Tech through the IP program gave me really interesting insight into how other countries view sustainability and climate change, and how we can best work together as different countries to address the problem.”

- Emily Pechar, International Affairs and Modern Languages ‘10
IAC Participants Abroad

- **28 countries**
- **3 internship employers**
