- The number of students participating in international programs increased in 2011-2012 by 6.25% from the previous year.
- This year, Scheller graduate students participated in international programs at twice the rate of any other college.

### Scheller College, Participation Over Time

- [Graph showing participation over time](#)
Scheller International Participation Breakdown

by Gender
- Female: 128; 47%
- Male: 146; 53%

by Ethnicity
- White: 170 (62%)
- Asian: 48 (18%)
- Black: 34 (12%)
- Hispanic: 12 (4%)
- Multiracial: 7 (3%)
- Unknown: 2 (.7%)
- American Indian/Alaskan Native: 1 (.3%)

"When you are in charge of planning your own travel as well as managing your own academics, you learn organization. When you're traveling places where you don't speak the native language and are trying to navigate public transportation, you learn flexibility. After tackling these challenges, you return knowing that you can rise to almost any occasion."

- Maggie Kellet, B.A.

GT Lorraine Undergraduate Program, 2012
