**Before you begin, please make note of the following:**

- **CONTACT THE PROGRAM DIRECTOR:** If you have not yet spoken to the Program Director/Coordinator of the study abroad program about academic requirements and other program-specific information, you are strongly encouraged to do so. Contact information is located on page 12 of this packet. The program director/coordinator is the best source for information about:
  - Course pre-requisites
  - Transportation to and from study abroad site(s); transportation while abroad
  - Housing arrangements
  - Program fees/cost of program
  - Payment schedule for program fees
  - Refund/Cancellation policies for program fees

- Transient/Special students must complete TWO applications to be accepted to study abroad through Georgia Tech (GT).
- It is important that you apply as instructed on our web site and in this document and submit the supporting documentation to OIE – **not to Admissions!!** The only documents that may be sent to GT Admissions are electronic transcripts.
- **Deadlines on page one of this packet are firm,** please submit your application **before** the deadline to be considered.
- Please note that all summer students who are NOT involved with Project GO have a summer deadline submission of February 1<sup>st</sup> (Admission Application) & February 15<sup>th</sup> (Supporting Documents & OIE Application). No non-Project GO summer applications will be accepted after this deadline.
- Project GO Summer Applicants have a deadline of March 1<sup>st</sup> (Admissions Application) & March 15<sup>th</sup> (Supporting Documents & OIE Application). No late applications will be accepted.
- Only students receiving acceptances from BOTH GT Undergraduate Admissions and the Office of International Education (OIE) may participate in GT programs abroad. Applying to GT Admissions as a transient/special student and applying to GT study abroad through OIE are two separate and required processes.
- Transients/Specials are not permitted to apply for GT exchange programs. Only applications to the faculty-led study abroad programs listed on page one will be considered.

**Determining whether you should apply as a Transient or a Special Student:**
You are a **SPECIAL** student if ALL of the following statements apply to you:

1. You are a U.S. citizen or U.S. Permanent Resident (green card holder). AND,
2. You have graduated from a U.S. university. AND,
3. You are not currently enrolled at a U.S. university.

If #1-3 ALL apply to you, then you will be applying to GT for admission as a **SPECIAL** student. Please be sure to select “Special” when prompted to do so in the Admissions application.

You are a **TRANSIENT** student if ALL of the following statements apply to you:

1. You are a U.S. citizen or U.S. Permanent Resident (green card holder). AND,
2. You are currently enrolled at a U.S. university other than GT. AND,
3. You are a degree-seeking student at that university. AND,
4. You have never taken classes at GT as a degree-seeking student; never earned a degree from GT.

If #1-4 ALL apply to you, then you will be applying to GT for admission as a **TRANSIENT** student. Please be sure to select “Transient” when prompted to do so in the Admissions application.

If neither special nor transient status seems to apply to you based on the criteria above, then you should contact OIE via e-mail (study.abroad@gatech.edu) to explain your situation so that we may help to determine if you are eligible for our programs. Please note that only U.S. citizens and U.S. Permanent Residents are eligible to apply to GT study abroad programs.

**HOW TO APPLY**

Please complete the application process in the following order:

1) **STEP ONE:**
   - A. READ this packet of instructions BEFORE you complete the online application form through GT Admissions (#1).
   - B. Complete the ONLINE Admissions Application for Study Abroad Transients/Specials: Follow the link at [www.oie.gatech.edu/transient under #1](http://www.oie.gatech.edu/transient under #1).
   - C. Submit a transcript from ALL universities at which you have ever taken classes. This includes your current university, past universities, and even dual enrollment credit from high school, if applicable. Transcription submission instructions are listed below on page 6.
   - D. Submit all additional supporting documentation to OIE (DO NOT SUBMIT SUPPORTING DOCUMENTATION DIRECTLY TO ADMISSIONS) - the checklist is attached on page 6 of this packet. All supporting documents must be sent in a sealed envelope previously unopened by the applicant after being signed by the applicant’s university officials.
   - E. Make Note: Once you complete the Transient Admissions application, you will receive an e-mail in approximately one week or less with your GTID number and GT login information.
   - F. Periodically check your application status on your Buzzport account ([buzzport.gatech.edu](http://buzzport.gatech.edu)) to make sure the GT Admissions Office is not missing any of your supporting documents. You may login to buzzport.gatech.edu using the GT username you
were given and password you created. Please note that OIE will only turn in your supporting documents to GT Admissions once we have received all of your supporting documents.

**PLEASE NOTE: GT ADMISSIONS APPLICATION FEE IS NON-REFUNDABLE.** The $75 application fee is collected through CollegeNET, not Georgia Tech. This fee is non-refundable, even if you revoke your application from the program.

2) **STEP TWO:**

You may complete your GT Study Abroad Application as soon as you are ready to do so. This can be done in tandem with Step One. Please create new credentials (these will be different than the credentials given to you by the Office of Admissions) and indicate that you are a Non-GT student.

- **A.** Complete the GT Study Abroad Online Application through OIE ([www.oie.gatech.edu/transient](http://www.oie.gatech.edu/transient) under #2)
- **B.** Submit Additional Documents to OIE if you have not already done so (see the checklist on page 6)
- **C.** Pay the Study Abroad Program Deposit online ([www.oie.gatech.edu/transient](http://www.oie.gatech.edu/transient) under #2) – you will need your bank routing number and checking account number to complete this transaction – credit cards are NOT accepted. Amounts vary by program and can be referenced by visiting the online payment system.

**PLEASE NOTE: PROGRAM DEPOSITS ARE NON-REFUNDABLE.** This means that if for any reason you drop out of the program after you have paid your deposit, you will not be entitled to have your deposit money returned.

**THINGS TO REMEMBER**

I. **Eligibility**

In order to participate in a GT Faculty-led Study Abroad (FLSA) Program, there are certain eligibility requirements you must meet. GT will check your records to confirm that you meet these overall requirements. Please refer to the Eligibility information available at [http://www.oie.gatech.edu/sa/forms/pdfs/mat_eligibility.pdf](http://www.oie.gatech.edu/sa/forms/pdfs/mat_eligibility.pdf) for a complete and detailed listing of all eligibility requirements.

- You must be in good academic standing.
- You must be in good disciplinary standing with the Dean of Students and with Housing at your home university.
- You must maintain appropriate standards of behavior. Keep in mind that there is a large social aspect in the study abroad learning experience. Faculty, staff, and participants must be able to comply with program guidelines.
- You must be at least 18 years of age by the program departure date and you must have completed at least **two semesters of college study** prior to participation in study abroad. High School Joint Enrollment Programs do not meet this requirement.
- You must secure all required travel documents.
II. What’s next?

How will I know if I have been accepted by GT Admissions??

- You should receive correspondence directly from Undergraduate Admissions about 4 weeks after your application is received. If you do not receive an acceptance letter to the Institute from Undergraduate Admissions after approximately 4 weeks, you should contact them directly at (404) 894-4154 to ask about the status of your Transient/Special Application.

- Important: It is your responsibility to check your Admissions application status via your GT Buzzport account (buzzport.gatech.edu). You may login to Buzzport using your GT username & password (same as the login used for your OIE study abroad application) and check your application status. This page will let you know if the GT Admissions office is missing any of your supporting documentation.

NOTE: Acceptance to GT as a transient/special student does not guarantee acceptance into one of our study abroad programs and vice versa. You must be accepted both by Undergraduate Admissions and by the study abroad program and the Office of International Education to participate.

How will I know if I have been accepted to the study abroad program (after completing application #2)?

- OIE will send an official e-mail of acceptance to study abroad, along with other orientation materials. This can take up to 3 weeks from the time you complete the study abroad application.

Are applications accepted on a rolling basis?

- Applications are accepted on a rolling basis until programs are filled by eligible and qualified applicants, or until the deadline. Exceptions include:

  - Japanese LBAT: Decisions are based on 1st chapter test results for JAPN 2002 -late Feb (Applicants must earn at least 80% to qualify).
  - History of Art & Arch in Italy & Greece: Decisions based on merit and student status.
  - GTL has a 2.5 minimum GPA requirement, but does accept on a rolling basis.

III. Required Pre-departure Meetings:

As a transient/special student, you are automatically excused from these meeting and will be sent materials at a later date. You will automatically receive these materials from OIE over e-mail closer to the program’s departure date.

IV. GT Immunization requirements:

OIE will request that the immunization requirement be waived so that you will not have to submit immunization records to GT before being allowed to register. You will still receive paperwork/e-mails from the GT Student Health Center instructing you to send in immunization records. You should IGNORE these mailings since you will be granted a waiver of this requirement.

V. Financial Aid?

If you receive financial aid and would like to continue receiving aid while participating in study abroad through GT, you should speak with the Financial Aid Office on your home campus about the procedures for using your aid to take classes offered by Georgia Tech. Only GT degree-seeking students are eligible for financial aid through GT.

VI. Registration as a transient/special student:

OIE will send information on how and when to register about two months before registration opens. Registration for study abroad transient/special students takes place during phase II (late registration - just before regular on-campus classes begin) each semester. The Program Director or Coordinator of your study abroad program will provide information on the courses for which you will register.
VII. **Payment of Program Fees and GT Tuition:**
Your program will set the payment schedule for PROGRAM FEES, please contact your program directly with any questions about program fees. As a non-degree seeking student, you may not have access to make online payments through the main system (OSCAR) until closer to your program’s departure date. In the interim, you may pay online by going to [http://www.bursar.gatech.edu/](http://www.bursar.gatech.edu/) and clicking on the “STUDENT – PAY NOW” Button on the right hand side of the screen. You will need your GT ID and GT LOGIN to make payments.

TUITION is automatically charged by GT as soon as you register for courses. Tuition payments should be made through the same online system.

VIII. **Communication, Info, and Program Updates:**
E-mail will be our official method of communication, so you are responsible for checking your account regularly. After receiving your application, we will periodically send e-mails to inform you of registration and other procedures that you will need to be aware of before your departure. If your e-mail changes, you must notify us right away at study.abroad@gatech.edu.

IX. **Requesting an official transcript from GT**
Once you have completed a study abroad program with GT, you will need to request an official transcript from the GT Registrar in order to have the credits transferred back to your home university. You can do this by going to [www.registrar.gatech.edu](http://www.registrar.gatech.edu) and following the instructions to make your official request. Grades are not available before the end of the regular GT semester, even if your program ends before that date.

**CHECKLIST for TRANSIENTS/SPECIALS APPLYING TO STUDY ABROAD**

*Please use this checklist to ensure that you complete both applications by mailing the correct items to the OIE. DO NOT MAIL ANYTHING DIRECTLY TO ADMISSIONS*

**Submit Supporting Documents to OIE:**

- **ONE COPY OF OFFICIAL TRANSCRIPT(S)** – You must submit transcripts from ALL colleges/universities ever attended (including dual enrollment from high school, if applicable). You may submit official transcripts electronically or in hard copy.

- A current, valid U.S. Permanent Resident Card (USCIS form I-151 or I-551)
- If you are neither a U.S. citizen nor U.S. permanent resident, then you are not eligible to study abroad through GT.
